

IF IT'S NOT 55 IT'S NOT UK!

All Genuine UK Destined Products are easily identified with a 55 in the part code, part codes with 55 are exclusive to the UK.

Any other code is non UK Destined product and never, meant for sale in the UK and is thus not supported.

DON'T:

- Be caught short by non-UK destined product
- Jeopardise your reputation and customer satisfaction
- Be out of pocket in either time or money

DO:

- Check the product for the "Genuine PARROT UK Product..." label
- Check the product serial number includes "55"
- Buy genuine, buy once!
